What's been happening this week?

Well done, Year 6! They came in early every day this week for their breakfast with a smile, and completed their SATs with diligence. They enjoyed a well-earned afternoon of fun and games on the pitch. Thank you Sportacus coaches!

Year 4 were very helpful and lived our value of Collaboration this week when they helped Year 1 with their sewing. They taught Year 1 how to thread a needle and do a basic stitch.

It was lovely to see so many children enjoying the school disco on Thursday. A great opportunity to get the party clothes out and have a boogie, as well as raising money for the school! Thank you F@B!

Thank you to the team of parents who came to help us plant up the school grounds on Friday. They dug, planted and watered in new drought tolerant plants and pollinators, aided expertly by their children and friends. The school looks great and the bees will love it too!

It's been a great week for Geography here at Brindishe Lee. Year 3 completed a 'sound map' in the school grounds to deepen their understanding of the local area. Year 4 went for a local walk to consider how the area can be improved. They went to look at the Leegate development and just happened to bump into Councillor James Rathbone, who was very interested to hear about their work!

Mrs Bannister and Mrs Waite had a great meeting with the team from London Square, who are developing the Leegate site, on Monday. The team are keen to get involved with the community and have offered site visits and talks for the school. Year 4 have emailed in their suggestions for the development. We can't wait to see those cranes and diggers in action!

Reception had a wonderful time at Woodlands Farm today. They dodged the showers to be able to enjoy being in a rural environment and learning all about the plants and animals. There were very safe and careful on the bus too, showing us that they are ready for Year 1. Well done, Reception!

What is happening next week?

On Monday we will have an assembly all about how to stay safe in the summer, including safety around water and in the sun. Wednesday's assembly will be all about Walk To School Week and the Eco Council will talk about the benefits of walking to school.

We have our Federation Choir Event at Brindishe Green on **Thursday 21st May at 3.55pm** where our choirs will get to sing their songs and join the other schools to sing together. If your child is involved in this, you will have a letter about it already.

Thursday is our Harry Potter themed lunch. Please see WEDUC for details!

On Thursday and Friday, Year 6 have their Voices for Equality workshops from the Anne Frank Trust to help them become confident, informed young people.

Important Information From the Office
