

This week we wrote a letter from Matilda to her parents explaining what has happened.

For home learning this week, we want you to write a response letter from Matilda's parents to Matilda.

What would they say? How would they react to some of the things she mentioned (some accidentally) in her letter?

Section 1

Fill in the missing numbers:

$$72 \square 9 = 8$$

$$7 \times \square = 42$$

$$60 \div \square = 5$$

$$\square \times 3 = 27$$

Section 4

I think of a number.

I multiply it by 3.

I add 5.

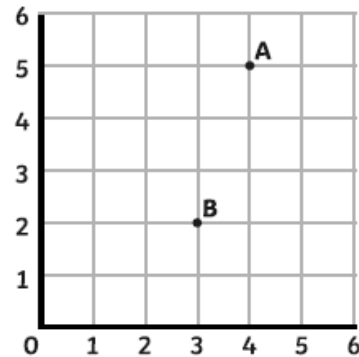

I divide it by 8.

My answer is 4.

What was my number?

Section 2

Write the coordinates for the following points:

A =

B =

Section 3

Fill in the boxes.

$$542 \rightarrow \square \xrightarrow{+12} \square \xrightarrow{+6} \square \xrightarrow{+8} \square \xrightarrow{+15}$$

Section 8

Work out $480 \div 4$.

Explain how you worked it out.

.....

Section 5

Write the equivalent decimal or fraction:

$$\frac{4}{10} = \square$$

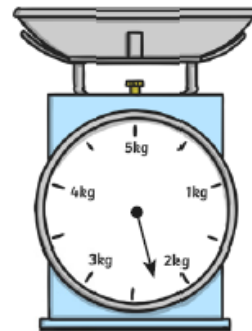

$$0.9 = \square$$

$$0.1 = \square$$

$$\frac{5}{10} = \square$$

Section 6

Round the weight to the nearest kg.

Section 7

What time will it be in 1 hour and 35 minutes?
