## What has been happening this week?

This week our Year 6 children sat their SATs papers in grammar, punctuation and spelling, reading, arithmetic and maths reasoning (6 papers in total)!

We are so proud of how hard the children worked and how they were able to demonstrate what they have been learning over their time at Brindishe Manor, in the core subjects. We hope they all have a well deserved rest this weekend. We are now looking forward to celebrating the final part of their journey with us over the next half term.

This week Year 2 and Year 5 were also visited by The London Fire Brigade who completed some safety workshops with the children. These were really engaging and gave time for the children to ask questions about fire safety in the home. Ask your child what they learnt and if there are 3 facts they can remember from the session!

## What is happening next week?

Next week our youngest children in Nursery and Reception are visiting the Unicorn Theatre in London Bridge to see *The Koala Who Could*. They are all very excited! Thank you advance for those parents and carers who are able to support us on the day.

**Whole school assemblies:** Following on from World Autism Awareness Month, Charlie and Pete from Drumbeat Outreach Service will visit us next week to lead two assemblies. They will be sharing their knowledge and understanding about autism with the children, with Pete speaking about his individual experience as an autistic person.

**Open Classroom** - On Wednesday 21<sup>st</sup> May we have an open classroom for parents and carers. We are going to open the gates at 3pm to trial a slightly earlier start, which will allow parents the opportunity to visit multiple rooms if you have more than one child. Don't worry if you can't make it as your child will be able to share their learning with other children in the class before leaving at the usual time.

## News about the crossing and Manor Lane and Southborough Road

As you may already know, Lewisham council have decided to cut the position of the lollipop person n the junction of Manor Lane and Southborough Road. The junction is extremely busy and the traffic is relentless at this junction in particular. Please take a look at the link below to share your support, which has been set up by some of our parents
