Brindishe
Green

What has been happening this week?

This week, our 3 **Year 4** classes visited Hither Green Baptist Church, linked to their RE learning.

Robin and Wren classes visited the fire station to learn about people who keep us safe.

In Monday's assembly, children in Years 3–6 learnt about **Holocaust Memorial Day** (27th January). They learnt about the bravery of Sir Nicholas Winton and how he did everything he could to bring hundreds of Jewish children to England on the Kindertransport. The children learnt about the importance of using their voice for good and standing up for others who need help. We linked this back to Article 12: the right to be heard.

What is happening next week?

Next week, **Year 1, 3 and 6** parents/carers are invited to look at their children's learning through their Open Classroom. Please come to the classroom with your child at drop off. All adults must make their way out of the school by 9.15am at the latest.

On Monday, our **Nursery, Reception and Year 1** children will enjoy a Lunar New Year Dance Workshop, run by Dance Days. This has been paid for using money raised by the the BFG.

Also next week, **Magpie and Kingfisher** (Year 3) will visit the Tate Modern. The purpose of the visit is to research how artists use art to share a message or tell a story. Hawk class will go the following week.

SEN Surgery Dates

We have three SEN surgery dates coming up before half term. These are 15 minute meetings on TEAMS with our SEN team to discuss any questions or concerns you have about your child's learning. They are on Tuesday 3rd February, Tuesday 10th February and Friday 13th February. You can book an appointment using the links on Weduc.

Please send a brief email to BGinclusion@brindisheschools.org in advance, giving us a rough outline of what you'd like to discuss. This enables us to come to the meeting prepared in order to be the most productive possible. There will be more dates offered after half term.

Should I Keep My Child Off School?

The government has produced a useful factsheet which gives information on when children can return to school, if they have contracted a particular illness but feel well. This includes chicken pox, slapped cheek, vomiting and diarrhoea or scarlet fever.

Support from the NSPCC

We wanted to again draw your attention to a wonderful resource for parents/carers, packed full of advice on raising children.

The NSPCC has created a page full of information from how to talk to children about their bodies, to early parenting advice, to managing family life, to family bereavement, to talking about race and racism.

Check it out, and if there is anything we can do to support, please contact the school office.

NSPCC Support for Parents

Please Arrive on Time

All children should be in their classroom by **8.45am** at the latest. The gate is open from **8.35-8.45am** to give everyone a ten minute window to be on time. Please try to arrive before 8.45am so that staff do not have to walk late-comers to their classroom.

If you are late you may be asked to wait until a member of staff is ready. Please be patient. Thank you.

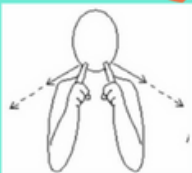

Something Wonderful to Celebrate

These children have been praised this week for their wonderful learning and behaviour in school.

Spotlight: Teachers Choice Fund!

This week we're shining a light on one of the most impactful things the BFG supports. Our **Teachers' Choice Fund** gives **£500 to each year group (and £100 to Nursery)** to spend on workshops, trips and in-school experiences chosen by teachers – either fully funded or heavily subsidised, reducing costs for families.

This year's activities already include **dance and circus workshops, mudlarking, gymnastics and theatre trips**. Keep an eye out for messages from class teachers about what your year group is doing with the fund.

These experiences wouldn't happen without your support. Thank you for making them possible!

250 Books for the Library!

We're thrilled to have reached our goal and **completed the school library wishlist**! Thank you to every single person who donated, whether buying a single book or a larger contribution. A true community effort that will benefit the children of Brindishe Green for years to come.

Committee Meeting

We had a great BFG meeting last week, covering big ideas for improving the lunchtime experience, upcoming events, future fundraising ideas and how we're supporting the school's sustainability work. If you'd like the detail, it's all in the **meeting minutes**.
