Flu immunisation

Please be reminded that flu immunisations will take place on Friday 2nd October for children in Reception - Year 6.

Reminders with all the information have been sent on Weduc.

What has been happening this week...

This week in our assemblies we have been learning about Fairtrade Fortnight, which is taking place between 21st September - 4th October. We explored what a 'fair price' for farmers means and how we can identify Fairtrade items in supermarkets and shops. We have asked the children to spot Fairtrade items in their homes and next time they are in the shops!

Year two had their first visit out of school yesterday and went to the BFI cinema on the Southbank to watch Shawn the Sheep and speak with an animator. The children all had a great time learning how they use cameras and apps to create animated films. A huge thank you to the parents who accompanied the children, as our trips wouldn't be possible without you!

What is happening next week?

Year 4 will be building a Roman Villa on Monday as part of an architectural workshop being run in our main hall. We are very excited to see the project evolve throughout the day and for the children to develop their knowledge about the Roman period.

We are also welcoming 3 student teachers from IOE to join Nursery, Year 3 and Year 4 classes. They will be with us until February and will also have opportunities to work in other year groups. We hope they have a great placement with us.

Next week we are welcoming the explorer **Mark Agnew** to school, who will be talking to the children in assemblies about his adventures and travels around the world.

Enrichment opportunities for your children

We try and include enrichment opportunities throughout the year for your child/ren in the form of workshops, trips and residentials (Years 4 and 6).

In order for any of these events to take place we need parents and carers to make voluntary contributions as soon as possible, so that we can make sure that planned trips can go ahead.

Please use the Arbor app to make all payments.

Evening

We are looking forward to welcoming parents and carers to our parents evenings on Tuesday 20th and Thursday 22nd October 2026. During your 10 minute appointment, teachers will be able to share how your child has settled into their new year group and answer any questions you may have. You will also be able to look at their learning so far.

Next week we will be sending information on how to book your appointment time through Arbor. Appointment times will be open to book from **Monday 5th October at 5pm**

We are looking forward to sharing a special menu with the children on Thursday 1st October. Some of our staff will be having lunch with the children and asking them their feedback about our lunches.
