What has been happening this week....

Year 6 have visited The Imperial War Museum this week and explored the WWII exhibition spaces. The children really enjoyed the day and were able to bring back lots of new knowledge about this period in history, which they are currently learning about in History. Thank you to the parents who supported the classes on these visits.

DT Week

Over the past two weeks children have taken part in a DT week. We complete DT week once a term. The aim is that chidren develop their design and technology skills throughout the week, in areas such as cooking, sewing and wood work. The children complete process diaries thoughout the week, reflecting on the process.

Parent Governor Elections

Brindishe Federation

We recently contacted you an upcoming vacancy for a parent governor, who will be elected by parents to represent them on the governing board. Details of the role and the nomination form were sent out by email on Friday 6th November. If you wish to put yourself forward please complete the forms that were attached and return to the school office. The closing date for nominations is midday on Friday 20th November .

Lee Green Open Studio

Once again, Brindishe schools are hosting the **Lee Green Open Studios!**
Come join families and artists at this very popular local walking trail,
taking place at Brindishe Lee and Brindishe Green Schools on 14-15th & 21-22nd November 2026.

LEE GREEN open STUDIOS

A lovely pre-festive arts event, there are more than 50 artists taking part at 13 venues. Each venue is free and most are accessible as well. A huge range of art will be available to see and buy, ranging from Christmas cards to paintings, books to metalwork, ceramics to crochet, jewellery to perfume, photography, pyrography, and more!

There also will be workshops for children at Brindishe Green on Saturday 14th and 21st November.

Please pick up a leaflet in the school office or visit: https://www.leegreenopenstudios.com/

Hope to see you there!

Opal Play

As we begin to build our playground resources for Opal Play, we would like to ask families for donations of any scooters or helmets. If you have scooters that you no longer use at home, or indeed may have them ready to donate closer to Christmas, please bring them in for us to start using in our playground from January.

Rocksteady team will be joining us next week on Tuesday 17th November for a special introductory assembly and workshop for all the children. Pupils will have the chance to experience the excitement of making music together, discover the instruments and find out more about how they can get involved.
