What's been happening this week?

Year 5 had a great trip to look at some fascinating maps and typography at the Prince Philip Centre on Wednesday. This trip enriched their learning in Geography and Art. This is what Hetti said about it: 'I liked how we had different activities and it was so creative! We learned that there are 54 countries in Africa.'

Year 3 had a great time at Chislehurst Caves learning about the Stone Age as part of their History and English curriculum. They said: 'The cave was really dark! We learned that caves are natural formations and we found flint on the ground!'

There are some fantastic displays popping up around the school showcasing the children's art work!

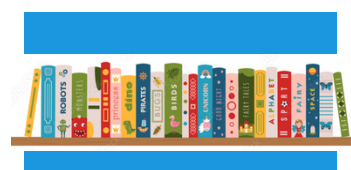

What is happening next week?

In assembly on Monday, we will look at the value of Confidence. This links to our Hello Yellow Day celebration on Friday. See below for more information.

Friday 9 October 2026

Wear yellow and say hello as we celebrate 10 years of standing out, starting conversations and raising funds – so no young person feels alone with their mental health.

There are days when all of us struggle with how we are feeling. Things can get tough, and it can be difficult knowing how to cope. For so many young people, when this happens, they don't always get the help they need, when they need it. They don't know where to turn, who to talk to, or even if anyone else feels the same.

But we can change this. By taking part in Hello Yellow we are starting a conversation about mental health with our children. We will be doing some fun activities in class to raise awareness about how we can all support our mental health.

Stand out, wear yellow on 9 October and donate what you can via the link below. Together we can support young people's mental health, when they need it – no matter what.
